

PCA plot showing the first two principal components (Dim1 and Dim2) for the 1000 Genomes Project data. The x-axis is labeled 'Dim1 (36.8%)' and the y-axis is labeled 'Dim2 (22.5%)'. The plot displays three distinct clusters of individuals, corresponding to the three continental populations: European (blue), African (red), and East Asian (green). The plot includes a grid and a legend in the top right corner.
